EXHIBITOR RULES AND REGULATIONS

The State Fair of Texas (“SFT”), in its sole and absolute discretion, reserves the right to interpret these EXHIBITOR RULES AND REGULATIONS (“Rules”) and to settle and determine all matters, questions or differences in regards thereto, or otherwise arising out of, connected with, or incident to the annual State Fair of Texas in Fair Park (the “Fair”). SFT further reserves the right to determine, in its sole and reasonable discretion, any unforeseen matters or controversies not covered by these Rules, as amended from time to time.

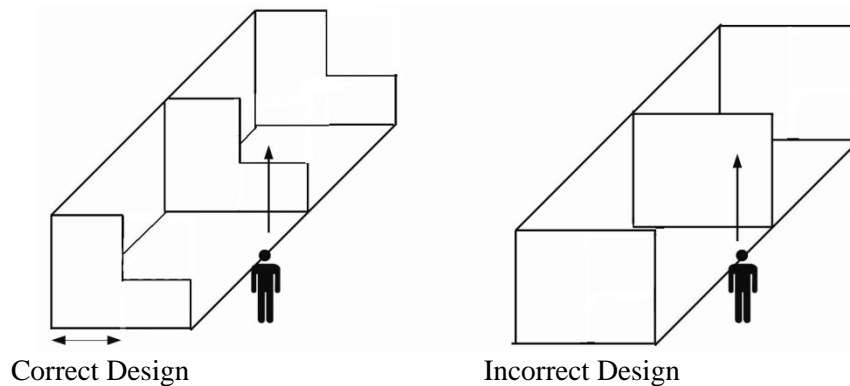

All Exhibitors are required to enter into a written agreement with SFT. The agreement must be signed by an authorized officer, partner or sole proprietor on behalf of the Exhibitor. In the event of a conflict between the written agreement and these Rules, the written agreement will apply.

1. The disregard of any of these Rules by an Exhibitor may subject the Exhibitor to forfeit any and all rental fees, deposits, or other moneys or consideration paid to SFT, or forfeit any and all rights and privileges under the written agreement between SFT and Exhibitor.
2. Exhibitors shall comply with all applicable federal, state and municipal laws, regardless of whether such laws are set forth in these Rules. As used herein the word “laws” means statutes, regulations, rules, judicial orders, and other legal pronouncements having the effect of law. Special attention should be given to Texas state laws and Texas Department of Transportation regulations governing exhibiting motor vehicles, automobiles, motorcycles, etc. (www.dot.state.tx.us).
3. SUBLETTING OF EXHIBIT BOOTH/SPACE TO A THIRD PARTY BY AN EXHIBITOR IS STRICTLY PROHIBITED. The exhibit booth/space must be occupied and used only by the contracting party executing a written agreement with SFT. All signage displaying Exhibitor’s company/brand name must be the same as the entity that entered into a written agreement with SFT for the exhibit space, or a reasonable derivative thereof.
4. Exhibits should be constructed in a good and workman-like manner, and appear neat and orderly. Inventories of merchandise, goods and supplies must be stored neatly out of the sight of Fair patrons. Maintenance and clean-up of the exhibit booth/space during the Fair is the responsibility of the Exhibitor. Exhibitor is responsible for removing all packing materials, bulk trash and other refuse from the exhibit booth/space to the nearest trash dumpster. Please do not ask SFT cleaning staff to clean your exhibit booth/space or remove your trash.
5. All merchandise, goods, and items to be distributed from the exhibit booth/space must be approved in writing by SFT. Exhibitor must be an authorized, licensed or lawful vendor for the products it intends to sell or distribute and Exhibitor must secure all required authorization and licenses for the sale or distribution of any brand-named products, including any copyrighted, trademarked, or licensed merchandise. Adhesive stickers, helium balloons, and Frisbees are not allowed to be distributed by Exhibitors. Additionally, SFT will not approve any items that may, in its sole and reasonable discretion, be offensive to Fair patrons.
6. SFT will not accept, or be responsible for accepting or storing, any inventory, merchandise or goods shipped to an Exhibitor.
7. Exhibitors are strictly prohibited from soliciting cash donations, contributions or other charity from the exhibit booth/space.
8. Distribution, sampling, promoting of products or services outside of the contracted exhibit booth/space (as defined by SFT) is strictly prohibited.
9. Exhibitors that take orders from Fair patrons to sell floor samples will not be permitted to remove such floor samples until after the closing of the Fair.

10. Any glass, ceramic, pottery or breakable items distributed by Exhibitor must be properly packaged (i.e., boxed, bubble wrapped, etc.) to prevent breakage and decrease exposure to other patrons.
11. SFT requests that all Exhibitors maintain a reasonable return/refund/exchange policy for patrons during the Fair. If refunds are not offered by Exhibitors, signage must be prominently displayed in the exhibit booth/space stating that refunds are not offered. SFT does not support or condone a "No Refund" policy by Exhibitors.
12. Exhibitors are required to staff their exhibit booth/space during operating hours of the entire Fair (10:00 a.m. to 10:00 p.m. Friday thru Monday and 10:00 a.m. to 9:00 p.m. Tuesday thru Thursday), unless a deviation is approved in writing by SFT. Any unattended or abandoned exhibit booth/space will be closed by SFT, removed from the Fairgrounds, and SFT will cancel the written agreement with Exhibitor and seek all legal remedies.
13. Smoking is not permitted in any buildings or tents within Fair Park during the Fair. No Smoking signs will be posted in accordance with local laws. Smoking will not be permitted in any exhibit booth/space.
14. The use of amplified sound is discouraged by SFT. If used by Exhibitor, the sound will be regulated by SFT so as not to be offensive to surrounding exhibitors. If any entertainment is proposed for presentation in the exhibit booth/space, Exhibitor must secure the prior written approval of SFT. Televisions within the exhibit booth/space for personal use of the Exhibitor are to be kept out of the site of Fair patrons.
15. All exhibit space is to be restored to the same condition and returned to SFT as when Exhibitor moved in. Any type of floor covering which involves the use of mastic is not permitted in any of the Fair Park buildings without special written permission from SFT's Exhibits Department. Additionally, Exhibitors may not paint any floors or walls within their exhibit booth/space. The cost of labor and material to restore the exhibit space is the responsibility of Exhibitor.
16. All signs, banners, and/or advertisement must be affixed only to the back wall of the contracted exhibit space and approved in writing by SFT. Signage is not permitted on counters, tables or exhibit fronts. No signs, banners, wires, advertisements, decorations or obstruction of any kind may extend from or to the ceiling, across the aisles, walks, thresholds, or streets of the buildings or area in which the contracted exhibit space is situated. No structure or material of any kind whatsoever may extend higher than eight feet (8') above the ground or floor level, unless prior written approval is obtained from SFT's Exhibits Department. All signs must be professionally printed. **NO HANDMADE SIGNS ARE ALLOWED.**
17. Exhibits located in the Embarcadero, Coliseum Market Place and Gateway Pavilion will be arranged so they do not obstruct the general view or hide the exhibits of others. Indoor exhibit booths are provided with an eight-foot (8') tall back wall/drape and two (2) three-foot (3') side walls/drapes. (see diagram)

Side-walls that extend eight-foot (8') tall cannot extend further than five-foot (5') from the back wall. If Exhibitor plans to construct a custom indoor exhibit which is not in accordance with these specifications, then such plans must be submitted in writing to SFT's Exhibits Department for approval.

18. Sweepstakes, contests, and/or drawings from the exhibit booth/space must be approved in writing by SFT and comply with all applicable federal, state, and municipal laws. For informational purposes, a sample of the entry form must be on file with SFT's Exhibits Department. If a sweepstakes, contest or drawing is being conducted on SFT property without SFT approval, SFT will close the exhibit space, and reserves the right to cancel its written agreement with Exhibitor.
19. Any unusual prices or discounts advertised during the Fair must be honored by the Exhibitor, and deliveries must be made as promised. SFT does not condone unlawful or deceptive business practices, and Exhibitors engaging in such activities will have their exhibits closed, and SFT will cancel its written agreement with such Exhibitors. Consumer complaints will be documented by SFT in the Exhibitor's file, and forwarded to the proper governmental or consumer affairs authorities. Additionally, complaints regarding questionable or deceptive business practices will be taken into consideration when SFT determines whether or not an Exhibitor is invited to participate in future Fairs.
20. Outdoor exhibits utilizing tents must use self-standing framed tents. No stakes can be installed into the pavement. Exhibitors or their tent contractors must check in with SFT's Exhibits Department before installing any tents. All tents must comply with local laws, including Dallas Fire Code.
21. SFT employees are strictly prohibited from accepting gifts, merchandise, entertainment or other favors from Exhibitors. Please be aware of this policy and understand that SFT values the business and personal relationships with all Exhibitors.
22. SFT owns certain names, domain names, logos, trademarks, service marks, copyrights and other intellectual property (hereinafter "Marks"), and owns or has certain merchandising rights in and to the Marks, and all goodwill associated with or symbolized by the Marks. Exhibitor is hereby notified that State Fair is the owner of certain registered Marks, including STATE FAIR OF TEXAS®, BIG TEX®, BIG TEX® (figure), TEXAS STATE FAIR®, SFT® (logo), PAN AMERICAN LIVESTOCK EXPOSITION®, RED RIVER CLASSIC®, SUMMER PLACE®, HERITAGE HALL OF HONOR®, TEXAS SKYWAY®, COTTON BOWL® and FRIED FOOD CAPITAL OF TEXAS™. Exhibitor is strictly prohibited from using these Marks without the prior written consent of SFT.
23. While SFT provides reasonable security for Fair Park during the Fair, additional security or safekeeping of Exhibitor's inventory, merchandise, goods, displays, and other items is the sole responsibility of Exhibitor. SFT will not be liable for loss of any inventory, merchandise, goods, displays or other items from the exhibit booth/space. If you notice any missing or damaged items, report the information immediately to the Dallas Police Department within Fair Park and the SFT Building Manager. The on-grounds Dallas Police can be reached at (214) 421-8830.

24. Exhibitors are not permitted to bring animals within Fair Park unless they are part of an authorized show or exhibit that has been approved by SFT in writing. Service animals for the physically challenged are an exception to this rule.
25. Invasive medical testing/screening of any kind by Exhibitors within Fair Park or on SFT property is strictly prohibited.
26. Exhibitors are strictly prohibited from carrying a weapon or firearm within Fair Park or within the exhibit space, unless such person is licensed by the State of Texas to carry a concealed handgun and complies with such laws. Unlicensed persons carrying a firearm onto Fair Park premises will be subject to a Class A misdemeanor, punishable by up to 1 year in jail and a \$4,000 fine.
27. SFT will not tolerate sexual harassment or discrimination in any form. Exhibitor will be responsible for the actions of their personnel, employees, vendors and contractors. Any incidents involving harassment or discrimination of any kind should be reported to SFT Exhibits Department.
28. In order to ensure safety of all guests and easy flow of traffic in the exhibit hall aisles, please make sure your patrons do not block the aisle as you promote or demonstrate your products. If your demonstration causes a crowd to gather in the aisle, please encourage your patrons to gather within your contracted exhibit space or change the method of your demonstration in order to keep the aisle open and safe for Fair guests.

HEALTH DEPARTMENT GUIDELINES FOR EXHIBITS

Exhibitors planning to provide any food or drink for the public must apply to the City of Dallas Health Department for necessary permits. **Contact Anthony McGee Food Protection and Education Division at (214) 670-8083.** Health Department representatives will be stationed on the fairgrounds throughout the run of the fair to enforce the following guideline requirements.

Food Handler Certification

All personnel that handle or prepare foods must be certified by the City of Dallas Health Department. Certification requires satisfactory completion of food handlers training classes conducted by the City of Dallas Health Department. The cost to attend the training class is \$55.00. The certificate is good for two (2) years.

Foods

Only foods listed on the permit, and approved, will be permitted. Only minimum food handling or preparation will be allowed.

Structure

Flooring inside the booth area is required to be concrete or plywood only. No carpet, soil, or grass will be allowed.

Hand Washing Facility Requirements

All booths that handle or prepare un-packaged foods are required to have five (5) gallons of potable water to be used as follows:

Hand washing facility must be provided with flowing water to be used for hand washing and a collection bucket for waste water. Coffee urns or bottled water with spigots work well for this purpose. Soap and disposable paper towels must be available in each booth. Disposable gloves are encouraged to be used; however, using gloves is not a substitution for proper hand washing.

Note : Special Hand Washing requirements for potentially hazardous foods (raw food products) offered for sampling will require hot and cold running water.

Utensil Washing & Sanitation

- (1) One bucket with two (2) gallon capacity of soapy water solution is to be used for washing utensils on an emergency basis in each booth.
- (2) A second bucket with two (2) gallon capacity of plain water for rinse.
- (3) A third bucket with two (2) gallon capacity containing 50 ppm bleach solution for utensil sanitization on an emergency basis in each booth. (Sanitizer test strips must be provided).

All utensils must be taken to a three (3) compartment sink location to be washed, rinsed and sanitized at least daily.

All waste water from buckets must be disposed of into a sanitary sewer. Wiping cloths must be stored, between uses, in an approved sanitizer solution at the proper concentration. If chlorine is used as the sanitizer, a solution of 100 ppm is required. (Sanitizer test strips must be provided).

Food Protection and Handling

- Food handling personnel must wash their hands as frequently as necessary, even though disposable gloves may be used.
- Food employees shall avoid contact of exposed ready-to-eat food with their bare hands by use of suitable utensils such as deli tissue, spatulas, tongs, or single-use gloves.
- Smoking, eating or drinking in an exhibit booth is strictly prohibited.
- All food, food containers, utensils, napkins, straws, or single service articles must be stored at least six (6) inches off the floor.
- Food preparation must be located in the rear of the booth. All cooking demonstrations must be designed to protect the food from direct consumer contamination.
- All food must be dispensed in single portion quantities. Potato chips, cookies, nuts, etc. in a large bowl for pickup by attendees is strictly prohibited.
- Displays which have open single portion food on display for an extended period of time will require a sneeze guard. Foods that are placed on a table top for immediate pickup by attendees will not require a sneeze guard (limited to no more than 15 portions).
- Any booth which is dipping ice cream must:
 - (1) Have an individual scoop for each flavor and the scoop must remain in the ice cream at all times. **OR**
 - (2) Be equipped with a dipper well which has constant running water.
- All potentially hazardous food products must be maintained at 41°F or below or 135°F or above at all times. Mechanical refrigeration is required. No ice chests will be allowed. **RAW CHICKEN AND SEA FOOD IS STRICTLY PROHIBITED.**

Animals are prohibited in the booths or within 50 feet of open food.

Plumbing & Mechanical Installations Regulations

A permit is required for **all** plumbing and mechanical work and the **permit along with the stand or booth address will be posted on booth or stand that is visible from the street or drive.** **A State of Texas licensed plumber or Texas Department of Licensing and Regulation Mechanical Contractor Licensed and registered with the City of Dallas as a plumbing or mechanical contractor must do all work. Any personnel observed performing plumbing or mechanical work where licenses are required shall be reported to the Texas State Board of Plumbing Examiners or Texas Department of Licensing and Regulation. This complaint will include the un-licensed person and his/her employer.**

It is the responsibility of the Exhibitor to hire a licensed Plumbing & Mechanical Contractor to perform the work. PLEASE provide your Contractor with a copy of the Guidelines for Plumbing & Mechanical Contractors.

Guidelines for Plumbing & Mechanical Contractors.

Plumbing & Mechanical Contractors must obtain a permit from the City of Dallas. The permit must be posted in the booth. **When applying for a permit Contractors will be required to give full street address and space number.** The following code provision of the 2003 International Plumbing Code (IPC) and the International Mechanical Code (IMC) will apply to all plumbing and mechanical installations for the State Fair of Texas:

1. Indirect waste shall be required for ice bins and food preparations sinks and shall have a minimum of twice (2X) the diameter of the drain pipe but no less than a one inch (1") air gap at the point of discharge into the indirect waste receptor.
2. **All** potable water connections below grade shall be protected by "Dual Check Backflow Preventer" equivalent to a "Watts #07-S" with ridged potable water connection at its outlet as close to grade as possible. (Texas Commission Environmental Quality (TECQ), Rules and Regulations Public Water Systems Chapter 290, Backflow Siphonage 290.44)
3. Potable water connections under constant pressure shall be protected by a "Pressure Type Vacuum Breaker" equivalent to a "Combraco Series 40-500".
4. Any hose bib, potable outlet above grade or plumbing fixture designed for the attachment of a water hose not used under constant pressure, shall be equipped with a "Listed" non-removable vacuum breaker.
5. Connection to the potable water system, drainage system and all associated piping shall comply with the applicable provisions of the 2003 IPC, all associated work to install the system **must be performed by a licensed plumber** who has been issued a permit prior to the start of work.
6. All installations shall include the appropriate use of materials and back-flow prevention assemblies, where required. **(Non-Potable Water Garden hoses are not acceptable for connecting to the Potable Water System or drainage systems).**
7. All soft drink dispensers connected to the potable water supply shall be equipped with a testable "Reduced Pressure Principle Backflow Preventer (RPZ), the drain on the RPZ shall run to an approved location. This device shall be installed according to the 2003 International Plumbing Code and tested in compliance with the **Texas Commission Environmental Quality (TCEQ) regulations and tested by a certified Backflow Tester.**

Note: A permit is required for the installation and backflow testing of the RPZ and tested by a certified tester. The tester shall provide an original test report to the City of Dallas at the time or prior to final approval of the permit and issuance of the “Certificate of Occupancy”.

8. **All** cooking facilities such as solid fuel or gas or electric char-broilers, deep-fat fryers, rotisseries, grills and ranges that are inside buildings, shall be equipped with a “Type I” Vent-a-Hood System **(No fuel gas releases will be given without all required inspections completed)**
9. Any equipment installed within tents is required to comply with the same plumbing/mechanical code provisions as facilities within buildings.

Exception:

That a commercial kitchen hood will not be required within tents that are open on three (3) sides, with adequate clearances above the cooking surface to combustibles. The required horizontal clearance for cooking equipment to combustibles shall not be less than eighteen inches (18”) for any installation regardless of location, unless such appliances are listed for reduced clearances. The eighteen inches (18”) of required clearance may be reduced to three inches (3”), provided the combustible material is protected with material as specified for one (1) hour construction.

10. All fuel gas piping including stops and flex connector to the point of connection to the appliance shall be tested with a 6 psi diaphragm test gauge with a test pressure of 3 psi for minimum of 15 minutes.
11. Maximum length of any Listed and approved appliance fuel gas connector may not exceed three feet (3’) in length and may not penetrate any appliance cabinet wall or partition.

Exception: Gas clothes dryers and free standing ranges may have 6 ft. Listed range connectors. **This exception does not apply to cook tops or burner units.**

All permits and inspections will originate from the City of Dallas, Building Inspection, Southeast District Office, 725 N. Jim Miller Road Suite “A” Dallas, Texas 75217. You may reach Charlie Smith, Senior Plumbing Inspector, at: (214) 670-8113, or Cary Pritchett, District Manager, at: (214) 670-8178, for general information call: (214) 670 - 8160.

Electrical

All Exhibitor booths have at least one (1) 20 amp electrical supply providing the ability to plug in two (2) 110 volt devices. If you require more power than that provided, you must notify the Exhibits Department to determine if it is possible for you to obtain additional power at your location. If additional electrical power/ wiring can be obtained at your location, it is the responsibility of the exhibitor to hire an Electrical Contractor registered in the City of Dallas to perform the work and secure a permit with the correct address, etc. before any work is to be performed. Note: To avoid a citation and or a notice to discontinue use, the City of Dallas ordinance(s) prohibits the use, or occupancy of a booth, stand, or similar location in which a permit is required prior to inspection approval. **PLEASE** provide your Electrical Contractor with a copy of the **Guidelines for Electrical Contractors** included in this booklet. Any cost incurred is also the responsibility of the exhibitor.

City of Dallas Electrical Installation Regulations

Summary

Ungrounded metal cased light fixtures with 2-wire cords will not be allowed. Grounded metal cased light fixtures with 3-wire cords will be allowed. All splices shall be in junction boxes with covers. Exposed electrical wiring must be out of reach and free from exposure to physical damage. Where extension cords are allowed they shall be listed for extra-hard usage of grounding type. Damaged electrical equipment, devices and appliances must be repaired or replaced (switches, receptacles, lights, etc.). All electrical equipment devices and appliances shall be listed and labeled by a nationally recognized Testing, Listing and Labeling Organization such as U.L., or C.S.A. Generators require an Electrical Permit.

Guidelines for Electrical Contractors

Electrical Contractors when required, shall obtain an electrical permit from the City of Dallas prior to performing any work. The permit must be posted and be visible from the outside of the booth, tent, etc when closed or covered. **When applying for a permit Contractors will be required to give full street address and space number**. The street address and space number are located on the Exhibitor's Contract. We ask that the Electrical Contractor leave tags, labels or business cards on their electrical equipment should the City of Dallas Electrical Inspectors or the State Fair of Texas Electrician need to contact the Electrical Contractor. **DO NOT COMMENCE WORK WITHOUT A PERMIT to avoid being issued a citation.**

General Requirements Below:

See the current adopted edition of the NEC® for other specific requirements.

1. Electrical panelboards, load centers and disconnects exposed to damp/wet locations shall be approved for that location or be suitably protected.
2. Electrical panelboards, load centers and disconnects shall be located to allow working clearances of 36 inches deep by 30 inches wide and permit at least a 90 degree opening of equipment doors or hinged panels.
3. Electrical panelboards and load centers shall contain a main circuit breaker or be provided with a fused disconnect switch or circuit breaker located within sight and within 10 feet of the operator's station. All switches and circuit breakers shall be located so that they may be

operated from a readily accessible place and installed so that the highest position will be no more than 6 feet 7 inches above the floor.

4. Electrical equipment and outlets exposed to damp/wet locations shall be approved for that location or be suitably protected.

5. All 125 volt 15 and 20 ampere receptacle outlets installed in the following locations shall be GFCI protected: Commercial Kitchens whether outdoor or indoor, and outdoor tents, outdoor exhibits, outdoor concession stands, wet or damp locations. Receptacles that only facilitate quick disconnecting and reconnecting of electrical equipment shall not be required to be provided with GFCI protection. These receptacles shall be of the locking type.

6. All 125 volt 15 and 20 ampere receptacle outlets installed in wet locations shall have an enclosure (i.e.: "in-use" / "bubble" cover) that is weatherproof whether or not a cord is inserted.

7. All cords installed shall be listed for "extra hard usage". Extension cords shall not be run under carpet/rugs unless designed and listed for the purpose.

Damp/Wet Locations: Shall include but not be limited to Booths, Exhibits, Concessions, Tents and Rides that are open or partially open to the weather during normal periods of operation or exposed to dampness/wetness during clean-up.

HOW TO GET AN ELECTRICAL PERMIT

WHEN IS A PERMIT FOR ELECTRICAL WORK NOT REQUIRED AT THE STATE FAIR?

Chapter 52 of the Dallas City Code, states:

-maintenance, repair, relocation or replacement of any existing light fixture, receptacle, switch, ceiling fan, circuit breaker or other electrical device or equipment where no change in electrical service or service disconnect is involved, if the value of the work does not exceed \$1,000.

WHO CAN OBTAIN A PERMIT FOR ELECTRICAL WORK AT THE STATE FAIR?

Electrical permits must be obtained by a contractor who is registered as an electrical contractor with the City of Dallas.

WHAT ARE THE PROCEDURES FOR OBTAINING A PERMIT AT THE STATE FAIR?

1. Must be a registered electrical contractor with the City of Dallas Building Inspection Division
2. Apply for, secure a permit and pay required fees.
3. Perform work in accordance with Chapter 56 of the Dallas City Code.
4. Request for inspection.

WHERE DO I GO TO OBTAIN A PERMIT AT THE STATE FAIR?

Permits for electrical work can only be obtained at the Southeast Division of Building Inspection which is located at 725 N. Jim Miller Rd.

HOW LONG DOES IT TAKE TO OBTAIN A PERMIT AT THE STATE FAIR?

Normally, a permit for electrical work is issued while you wait. However, if you have three or more permits, you will be asked to drop off the applications with a contact name and number. In most cases, you will be contacted the next day when they are ready. Limiting the amount of applications allows us to process your permits in a timely manner.

WHAT IS THE COST?

The cost for permits differs depending on several variables and the value of the work. Consult our fee schedule which is available at our office or on our website.

All permits and inspections will originate from the City of Dallas, Building Inspection, Southeast District Office, 725 N. Jim Miller Road Suite "A" Dallas, Texas 75217. You may reach Larry Heckler, Chief Electrical Inspector (214) 948-4466 or Cary Pritchett, District Manager (214) 670-8178, for general information call (214) 670 - 8160.

FIRE DEPARTMENT REGULATIONS

The charges will be due with the booth rental deposit upon execution of the agreement.

COMPLIMENTARY CREDENTIALS

There are two (2) types of Complimentary Pedestrian Gate Credentials. Complimentary Credentials are for Exhibitors and/or employees.

1) **SEASON PASS** (best option if same person working most days of show)

- Issued in the Company name
- Can be used each day of the show by any employee of the Company.
- Quantity determined by the size of the leased space
 - 100 sq. ft. = 4 Season Passes
 - 200 sq. ft. = 5 Season Passes
 - 300 sq. ft. = 6 Season Passes
 - 400 sq. ft. and over = 7 Season Passes

2) **DAILY PASS** (best option if utilizing temporary employees or different employees to work each day)

- Issued only upon written request.
- Daily pass is a onetime use credential to be used by employee of the Company. The credential is surrendered at the Pedestrian Gate.

If additional Complimentary Season Credentials or Daily Passes are required for staffing purposes, a written request must be submitted no later than September 1. The request must include the number of individuals required to staff the booth and their work schedule. Only a reasonable request will be given consideration.

If we are unable to fulfill your request for additional Complimentary Credentials, you may purchase them. **Season Pass** - \$45 **Daily Pass** - \$11

VEHICLE PERMITS PEDESTRIAN GATE CREDENTIALS

There is no complimentary parking. Vehicle credentials must be purchased. Look at the fair grounds map for parking zone locations. Overnight parking is not permitted. The following are your parking options (all parking prices include tax):

❖ **Public parking**
